INSTRUCTIONS

(*A*) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(*B*) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Aba*l*on, Ab*b*ott, Abcon, Abend, Ab*i*ct; Ba*l*l, Be*l*l, Bi*l*l, Bo*l*l, Bu*l*l; Car*l*ey, Car*m*en, Car*t*on, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, *A*nson; Brown, *B*ill; Brown, *C*harles; Brown, *D*avid. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first; wife second; then children, whether sons or daughters, *in the order of their ages;* and lastly, all other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(*C*) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(*D*) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of *one* family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; "¼+," for one-fourth or more Indian blood; "−¼," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
   (*a*) At *jurisdiction* where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
   (*b*) *Or* at another jurisdiction. The name of the jurisdiction is to be given.
   (*c*) *Or* elsewhere:
      1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
      2. County.
      3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

(*E*) Rolls not prepared in strict conformity with the above instructions will be returned for correction.

CENSUS ROLL OF THE RED LAKE

CHIPPEWA INDIANS, RED LAKE, MINNESOTA.

FOR THE YEAR ENDING APRIL 1st.

1931.

50220

Statistics
Circular No. 2739
Census
Rolls,
1931

UNITED STATES
DEPARTMENT OF THE INTERIOR
Office of Indian Affairs
Washington

January 17, 1931.

To Superintendents and
Others in Charge:

Additional instructions for preparing census roll for April 1, 1931.

Please see that each sheet is filled in at the top; first, name of reservation; second, jurisdiction; third, date; fourth, name of superintendent; fifth, stamp State at right-hand corner of each sheet; and, sixth, number sheets consecutively.

Please bind in heavy paper, clamping cover and sheets together at left-hand side of sheets with two or three long brass fasteners, and give name of Agency, State, and Reservation on front of cover binding.

Only one name can be entered on a line. No single spacing, as we must have this space for coding. Leave a blank line between each family group.

Paragraph A on back of census blank must be followed. Only one roll must be made for each reservation except when a reservation is in two States then two rolls must be made--one for each State. List alphabetically, and number names on roll consecutively, with no duplicate numbers--one-half, or a, b, c, etc., are the same as duplicate numbers. If the roll is large and it is found more convenient to bind as two rolls indicate letters and numbers coverd on each binding.

Paragraph C. Last year "Head" was assigned promiscuously, so please follow the following instructions in classifying "Heads" of families:

Members of a family are: 1, Head, father; 2, wife; 3, children, step children and adopted children; 4, relatives; 5, other persons living with the family who do not constitute other family groups. If the father is dead then the mother would be "Head." In case both parents are dead and the children maintain a separate home, then the oldest child or the one that takes the responsibility of the home would be designated as "Head." Only in such instances would a single person living at home be called a "Head."

If a grand parent, brother, sister, nephew, niece, grandchild, or any other relative is living in the home with the family they should also be listed with the family and designated as mother, sister, niece, etc. Friends and roomers, etc., are listed after the immediate members of the family if they do not constitute a separate family of their own as a man, wife, and child living in the home would be a separate family group. While roomers or friends, etc., single, and under 21 years of age would be listed under the family and designated as to their status under column nine. Persons 21 years and over and single not living at home or with relatives would be classified as "Head." Persons under 21 years of age and living alone report as "Alone" in column nine instead of "Head."

Please look into all cases of just one person in the family designated as "Head" and if they are not "Head" according to above instructions give them their proper designation under the family group under which they fall.

D-5, Tribe. Please be sure that all tribes are reported, and not just the predominating tribe of the reservation.

D-9, Residence. When Indian resides at jurisdiction where enrolled, column 10 should be "Yes," and columns 11, 12, 13, and 14 blank. When Indian resides at another jurisdiction, column 10 should be "No" and name of jurisdiction and State in column 11, and columns 12, 13, and 14 blank. (Do not enter Post Office of Agency or Reservation, but the name of the jurisdiction--example, Colorado River Agency, Arizona, not Parker, Arizona, or Fort Mojave Reservation, Arizona.) When Indian resides elsewhere, column 10 should be "No," column 11 blank, and columns 12, 13, and 14 answered. County (column 13) must be filled in. This can be obtained from Postal Guide.

When children are living at home with parents and are at another jurisdiction or even outside of any jurisdiction going to school then they are to be returned as if they were at home with their parents, namely, same as parents and not at another jurisdiction or elsewhere, as so many reported last year.

Please see that columns 10 to 14 are filled in as directed, as two people spent over two months correcting the errors in these columns last year.

Please see that all rolls are correctly alphabetized.

New information desired.

When the "Head" of a family is not enrolled at same jurisdiction as his family, please give name, sex, and relationship to head of family and in place of a number type "N. E."--not enrolled. This will tie up the family and help to locate names on the roll, and with only the essential information given will be readily distinguished by the blank columns from persons belonging on roll.

Since a number of requests have been made to restore "Last Census number" to present census roll, the Office has decided to add this column by dividing column 9. Draw a line dividing present column "Relationship to head of family" just after 9 and type in box of new column, "Last C. roll No." as--

Relationship to head of family /	Last C.
9	roll No.

Make three supplemental rolls at end of each census roll: (1) for persons either added to or dropped from census roll for other causes than birth or death; (2) for births, and (3) for deaths which occurred during the year. These three supplemental rolls will be the same as regular census rolls except type at center of page on first line of each sheet in capital letters (1) "Additions and Deductions," (2) "Births," (3) "Deaths" as the case may be. Give last year's census number, and in the case of births the number on present census roll.

Column 16 must always be answered. When Indian has no number applicable to this column write "None." If numbers other than those listed in heading of column are used for identification at Agency that number must be explained by footnote so that coders will know what that number is, as only numbers listed in heading will be coded. Last year considerable time was spent in trying to decipher the extra numbers.

Please see that your census roll is as nearly correct in every detail as possible, as this Office is striving for more accurate statistics and is depending on the cooperation of the field for this attainment.

The census rolls must be in this Office not later than June 30. Last year several rolls were not submitted until later, thereby holding up the tabulations. Extra work is planned for this year, therefore, the census rolls for April 1, 1931 must be on time.

Next year a new roll will be printed in order to take care of transfers and omissions that are needed. Will the superintendents please make suggestions that will be helpful to them or any other changes which they deem wise.

C. J. RHOADS,

Commissioner.
